Healthy Eating @ School!

The Seaspray Café is a great place for your child to start learning about the enjoyment of healthy eating. Good nutrition enhances your child's ability to learn and take in the information presented in class.

The food your child consumes during the school day contributes to a significant portion of their daily food intake and nutrition. Therefore it makes sense to try to ensure the best food possible is available in our College Café.

We believe the Seaspray Café provides the means by which children and adolescents can put into practice the theory about nutrition being taught in the classroom at Lumen Christi.

We aim to provide a variety of tasty, fresh, nutritious food, catering for a variety of tastes, for you and your child, everyday.

Volunteering

If you would like to volunteer in the café—please contact Leanne Fraser on 6495 8888 or email leanne.fraser@cg.catholic.edu.au.
